

Implementing structural reforms for growth

EC support

Structural Reform
Support Service

**Working closely with the SRSS
and its partners,**

*implementing
growth enhancing
structural reforms*

Structural Reform
Support Service

Establishing an Independent Authority for Public Revenue,

*ensuring
efficient taxpayer services
and voluntary compliance*

Introducing a new investment licensing system for businesses,

*making it easier
to set up and run a business*

Reforming the framework for renewables and energy efficiency,

promoting cleaner energy

Setting up a Hellenic Development Bank,

*facilitating access to finance
for Greek enterprises,
enabling innovation and success*

Implementing an Anti-Corruption Action Plan,

*increasing integrity,
ethics and transparency
within the public administration
and the judicial system*
